You're not paranoid, just careful! I guess I never noticed how the top three lines are offset on other ones before.

I will bring it down to our reception desk and Michael can pick it up on Monday.

Take care.

Oh, oh paranoia is becoming contagious! You're sounding like me and I'm def. paranoid! Thanks for putting up with my "paranoid stuff" all these years!!!!

Correct, no right margin justification. I'm keeping to the template used for all our NPDES cover pages. I'm looking at a hard copy and it looks fine to me. Are you seeing something I'm not?

Also, the only reason I would have to send these back would be if Damien wanted something changed... highly unlikely as he's the one that suggested I send it to you.

Thanks for double checking though!!!!

Olga

Just being a bit paranoid...here is the version that Dave signed. I didn't touch the top 3 lines like you said, but though they are off to the right, they aren't "right justified".

Are they supposed to be like that?

All I did was fix some of the centering on the addresses below.

Sorry to bug you again. I'd hate to go through this again next week.

Hi Olga,
Ok, I won't touch the top 3 lines. Can I fix the centering of the addresses?
Cathy

Hi Cathy,

Thanks for the message. Those first 3 lines on the cover page should not be centered, they are meant to be on right hand sign of page.

On the letter, yes those are strays from another letter I guess...not even sure how they got on this one, but yes I did delete.

Thanks for checking.
Olga

Ok, the plan is still for Friday. I may have something else to drop off for Michael Cobb. Will coordinate with you then.

Also, I fixed some of the spacing/centering on the cover sheet, if that's ok (see attached). And the letter you send has a stray paragraph at the end. I think it was just a cut and paste mistake.

Hello,

Sorry about the confusion with my using "asap." It can wait until Friday or even Monday.

Thanks for the prompt reply 😊

Ok, I saw "ASAP" and jumped for you!

I'll be out on Thursday but Mary can coordinate the signatures with Dave and you.

I just found out Dave is out tomorrow. I'll text him to see if anyone else can sign for him (maybe me).

Hi Cathy,

Attached please find the cover page for a transfer of co-permittee for the MBTA (70 Rear Third Avenue, Somerville, NPDES No. MA0003590) facility. If you could please have Dave Ferris sign two of the cover pages and return to me asap.

I'm also attaching a draft version of the letter which will accompany the cover pages. Of course, I will send you hard copies of all finalized documents when they are ready.

If you have any questions, don't hesitate to let me know.

Thanks,
Olga
